Exhibitor benefits

IHTC-15 is focused upon its important mission to foster international cooperation and facilitate the exchange of ideas and information. To pursue these aims, we invite forward-looking scientists, engineers, and researchers from all over the world. The conference is an opportunity for an exchange of information on current topics of interest among the international participants engaged on “Heat Transfer Olympic”.

Participate as an exhibitor at IHTC-15 and you will receive:

- Exposure to a select group of engineers, scientists, business professionals and educators involved in the field of heat transfer.
- A booth consists of a 1500mm (Width) x 2100mm (Height) back plate, two side plates of 900 mm (Length) x 2100mm (Height), a 900mm (Length) x 1500mm (Width) x 700mm (Height) table and a sign board indicating your company name and the booth number.
- Lunch and coffee for two persons.
- One complimentary set of USB conference proceedings.
- A listing of your company in the conference program that is distributed to all attendees.
- Your company logo, profile and link on the IHTC-15 website.
- Your company logo, profile and link on the Conference Program that is distributed to all attendees.
